REGIONAL FOOTBALL CONTINUES TO FLOURISH

Almost 150 of Western Australia's most promising regional players made the journey to Perth recently for Football West's annual QBE Country Camp, held at Christ Church Grammar School.

The players were selected at last year's QBE Country Week in October, which is another annual tournament in Perth where regional teams take on each other in various age groups.

The four-day program saw regional boys and girls take on the best metropolitan High Performance squads to hone their skills and gain tips from highly-qualified Football West coaches.

At the completion of the week, six State Regional squads were then selected, and they will tour Singapore, Borneo and Kuala Lumpur in November, playing against some of the best teams in South East Asia.

Regional football continues to grow throughout Western Australia and some players have progressed through to the national league in recent years.

Bunbury defender Josh Risdon took part several years ago and is now a regular for Perth Glory, while goalkeeper Kathleen Waycott signed for Perth Glory Women in last season's Westfield W-League.

Football West Game Development Manager Andrew Bettell says regional football continues to grow each year.

"Over the last few years I have just been amazed at the increase in both the depth and quality demonstrated by our regional players," he said.

"Our coaching staff was impressed at how quickly the players were able to take on board new information and put it into practice on the park.

"Everyone at Football West wishes the teams and their coaches the best of luck on tour."
