10 OCTOBER, 2011

QBE COUNTRY WEEK CONCLUDES FOR 2011

Another successful QBE Country Week wrapped up on Friday afternoon at Beale Park with the Closing Ceremony and presentations to all successful teams and individuals.

Over 800 players and team officials were on hand as representatives from QBE Insurance, Football West, Perth Glory Women and even Perth Glory men's coach Ian Ferguson presented awards.

Football West Game Development Manager Andrew Bettell was thrilled with how the week panned out.

"It was great to watch all the regional talent up close yet again," he said.

"Our Development Officers are regularly making the trip out to the regions, but QBE Country Week is the ideal opportunity to get all these talented kids together in one spot.

"Again I was impressed with the level of talent that the country continues to produce and look forward to seeing some of the identified players at QBE Country Camp next April."

Football West would like to thank QBE Insurance for their support of the event yet again in 2011 as well as Cockburn City Soccer Club and in particular President Heidi Lazzaro for all the hard work her and her team of volunteers put in over the week.

Please find all the 2011 QBE Country Week Championship results below.
