

MEDIA RELEASE
11 OCTOBER, 2011

THREE WA REPRESENTATIVES MAKE CHAMPIONSHIP ALL STARS

Last week's National Youth Championships for Boys proved a fruitful tournament for the two Western Australian sides, with two players and one coach selected for the All Stars team.

ECU Joondalup's Joel Rollinson made the Under 13's All Stars squad, while WA coach Warren Grieve (Highgate) was named the All Stars assistant.

In the Under 14's age group, Stirling Lions' Jordan Pokler was identified by Championship selectors for the All Star team.

Both teams will again continue in Group A next year, with the Under 13's finishing fifth and the 14's finishing in third.

Rollinson even managed to get his name on the score sheet in the All Stars match against champions NSW Metro, where the match finished 2-2.

Grieve was shocked by his selection, but admitted that both Rollinson and Pokler were outstanding in the New South Wales tournament.

"Before travelling to Coffs Harbour we knew it would tough with almost every other State having their Skilleroos program up and running for the last 12-18 months," he said.

"The standard since last year has gone up drastically, highlighting the importance of the Skill Acquisition and Skilleroos programs.

"To be able to work with players with more than one contact a week allows us as coaches to really get into the nuts and bolts of the playing style and philosophy affecting players not only as individuals, but also as a team.

"Both Joel and Jordan were well worthy of their call up into the All Stars squad having performed consistently all week."

Football West's Skilleroos program will be up and running for the commencement of the 2012 season under Football Federation Australia's Skill Acquisition coach Brad Hassell.
