MYSOLAR BECOMES NAMING RIGHTS SPONSOR FOR SUNDAY MEN'S LEAGUES

Football West is pleased to announce that local solar energy company, MySolar has become a commercial partner with the sport's state governing body and will become the naming rights sponsor for the various Sunday Men's Leagues (Sunday League, Metropolitan League, Masters League and Golden Oldies League).

In future, all Leagues will be prefaced by the MySolar brand.

Football West Chief Executive Peter Hugg says: "MySolar has joined with Football West to promote our environmental project, 'Black, Gold and Green', which will be promoted throughout the State, and in doing so has teamed up with the Sunday League as well.

"I am pleased that they have seen fit to support this large part of our game which caters for more than 8,000 players each weekend."

The arrangement will also see MySolar receiving front of shirt branding for the WA State Amateur Team in its representative program for 2011.

A number of prizes and awards associated with the Leagues will also be presented by MySolar at the end of the year.
