## **MACEDONIA PARK TO HOST STATE LEAGUE CUP FINAL**

Football West is pleased to announce that Macedonia Park will host the 2011 State League Cup Final.

The Macedonia Park complex is home to 2010 State League Cup winners Stirling Lions and Saturday 20 August will be the first time it hosts a major Football West match.

Perth SC and Sorrento will go into battle at 3pm on the afternoon for one of the biggest trophies on offer in WA football.

The earlier Reserves will see Cup holders ECU Joondalup and Shamrock Rovers take to the pitch, while in the Under 18's it will be Bayswater City versus Floreat Athena.

Football West Chief Executive Peter Hugg says he is delighted with the decision.

"We are pleased to be able to spread some of our key matches around and reward these clubs that have invested money in the development of their facility," he said.

"The Macedonia Park complex is also the recipient of the MySolar energy system and a keen supporter of our Black, Gold and Green project, which we thank them for."

Stay tuned for more announcements closer to the event.
