## **FIXTURES ANNOUNCED FOR QBE COUNTRY WEEK**

The final touches are being placed on QBE Country Week and Football West is pleased to formally release the fixtures ahead of the October 3 kick-off.

Over 800 players, officials, friends and family will descend on both Beale and Dalmatinac Park for the week-long tournament, yet again supported by QBE Insurance.

The Great Southern region will field eight teams with Albany, while the South West will see Country Coastal also have eight teams, closely followed by Leeuwin with seven.

Geraldton will field seven teams in 2011, with Carnarvon having one as they both represent the Mid West.

The Goldfields (five teams) and Esperance (three) make up the Goldfields region, while the Pilbara will have Newman and Karratha each have four teams.

Last, but not least, will be Peel with seven teams, taking the total to a record number of 54.

Geraldton's Connor and Lochlan Bentley are yet again looking forward to making the trip to Perth.

Connor Bentley (age 13): "QBE Country Week is mad – it lets you play against players from other places in a tough competition and you can be with your friends for a week in Perth."

Lochlan Bentley (age 11): "I love QBE Country Week because you play good players and you get the chance to attend QBE Country Camp if you do well."

The Opening Ceremony will get things underway at 8.30am on Monday 3 October, while the massive Closing Ceremony and awards presentations will wrap up the annual event at 1.30pm on Friday 7 October.

QBE will also be having their GloryUs Fun Day this weekend in conjunction with Perth Glory at Hillarys Boat Harbour. Click [here](#) for more information.

Check out the attached fixtures for the annual QBE Country Week Championships.
