STATE BOYS GUNNING FOR MORE GLORY

Western Australia shone at the 2010 National Youth Championships for Boys, and is back again with the Football West State Under 13's and 14's ready for action next week.

Last year saw Football West become National Champions in the final year of the Under 15's age group, while the Under 14's finished equal-third.

The week-long Championships will be yet again held in Coffs Harbour, New South Wales, and kick off on Monday 3 October.

Under 13's coach Warren Grieve is looking forward to the challenge after leading the 2010 Under 14's to an impressive showing on the National stage.

"Throughout the preparation phase, all the boys have continued to progress by becoming more and more consistent with every session," said Grieve.

"Their application and understanding had impressed both Brad (Hassell, Assistant Coach) and myself, and we are very much looking forward to the first game on Monday.

"We have encouraged all of our players to play without fear and enjoy the experience.

"Hopefully this will come out in all of the games we play."

Darren Young will take charge of the Under 14's and said: "The boys have worked very hard over the last six weeks to prepare for the Championships.

"Their attention to detail in roles and responsibilities on the pitch has been very evident in the preparation games.

"They have given themselves the best possible chance of fulfilling their goal; being identified to play at the next level, both in WA and for Australia."

Attached is a copy of the fixtures with kickoff times listed in AEST.
