

The process set out below outlines how each individual Club activates on-line Payments via MyFootballClub
On-Line Payments via MyFootballClub are for payments from the Player to the Club

Payment Process

- Players can pay online as they self-register or registrars can make credit card payments through the club registration process in MyFootballClub via Visa or MasterCard.
- Once payment has cleared all money goes directly to the Club Account.

Fees

- Clubs are required to pay \$108.90 annually to enable online payments.
- There is a charge of 2% per transaction for your club Fee, which is applied to the whole registration package.

Refunds

- The Club is responsible for managing the refund to the player (including the NRF fee), which should be guided by the Club's current refund policy.
- Clubs will request the refund of the entire fee from Football West, which will only provide a refund if they satisfy the criteria for a player de-registration to be processed.
- For more information please refer to FFA's refund policy.
