

COURSES

MyFootballClub Basic Course (Recommended for new club registrars)

1. Overview of registration process
2. MyFootballClub Basics
3. Self Registration Information
4. Q & A

More information: this course is tailored to provide participants an understanding of the fundamentals of MyFootballClub. The course will also provide participants information about implementing self-registration within their club. At the end of the course, participants will have the requisite skills to successfully complete the player registration process for the 2012 season.

MyFootballClub Advanced Course (Recommended for returning club registrars)

1. Overview of registration process
2. MyFootballClub Refresher
3. Self Registration Case Study
4. Q & A

More information: this course is tailored to give participants a more thorough understanding of the capabilities of MyFootballClub. The course will provide participants a refresher in the basics of MyFootballClub whilst highlighting further tools and areas of the system that can be utilised by clubs. It will also focus on providing clubs strategies to implement self-registration by discussing real-life club experiences. At the end of the course, participants will have increased knowledge and skills that will allow them to better utilise the full capabilities of MyFootballClub.

SportingPulse Course (Recommended for club administrators)

- Overview of results logins and results process
- SportingPulse Basics and Configuration
- Club Website and Report Information
- Q & A

More information: this course is designed to give participants a more thorough understanding of the capabilities of the SportingPulse competition management system. The course will provide participants a look into the SportingPulse results system, whilst highlighting further tools and areas of the system that can be utilised by clubs. At the end of the session, participants will have increased knowledge and skills that will allow them to better utilise SportingPulse's full capabilities.

WEBINARS

A series of webinars providing more in-depth systems training for MyFootballClub and SportingPulse will be available on the Football West website from mid-January.
