Soccer Coaching DVD aged 6-8 and 9-10s

A full 24 week program designed by professional coaches, fully narrated. Each session is planned out for you. Every exercise is explained from how long to spend on each to what size playing area to use. Animations are used to explain exactly what's going on. Also includes information on how to set out your training area.

Complete Soccer Player Volume 1 & 2

For players of all standards and ages. Using animation, video and narration, the drills are neatly organised and vary in intensity from beginner to advanced, so whatever your current level is, this DVD will take your game to the next level. This second volume covers essential off-field work to help you take your on-field play to the next level. Whether you are a 9 year old or a National youth player this DVD is for you.

Complete Soccer Player V1 & V2
\$20 each
