## Hearing Outcome

<b>Finding</b>	The Panel wishes to express its concern about the risk of injury that the practice of tackling opposing players with a straight leg at speed creates. Having said this, the Panel has accepted the Player's evidence that he had no intent to harm the injured player and in executing the tackle he was making a genuine attempt to challenge for the ball. The Panel also accepts that whilst the challenge was perhaps clumsy, there was proper occasion for the challenge, because the ball was travelling towards the goal square.
<b>Penalty</b>	Substitute finding of 1a for 1b accordingly. Penalty: AMS + 1 match.
