- Where there is a cup match involving teams from two different two divisions, the rate paid is that of the highest level competing club in that particular match.
- State League match fees will be invoiced to the **home club** by Football West (subject to an additional 10% GST). Referees fees for fixtures involving the NTC Squad will be incurred at the Premier Division Reserves rate with the entire cost to be covered by Football West.
- Additional travel allowance is paid to those referees travelling from the metropolitan area to State League appointments in Bunbury (South West Phoenix) at a rate of \$60.00 per referee.
- PSA match fees will be invoiced directly to the PSA / School (subject to an administration charge & GST).
- Unless otherwise advised prior to the fixture, all other match fees are to be paid in cash directly to the referee(s) prior to the commencement of the match, with each team to pay 50% of the total match fee listed above.
