

Standing Committee Recommendation

To: Chief Executive Officer
From: State League Standing Committee
Date: 06/05/20

Recommendation (provide a detailed description of the recommendation)

Football West to develop a written refund policy with respect to fees paid by each club.
The policy should be scaled & reasonable but specific.

Describe the Issue or Idea (give a concise description of the issue focussing particularly on the problems that are being experienced)

Some clubs have expressed concerns that players may not register or will withhold payment of fees in the absence of a clear and concise refund policy due to the risks around a second wave of infection (with respect to Covid-19).
Clubs are developing their own refunds policies and seek assurance from the governing body in relation to fees being returned.

Describe the benefits of Football West implementing the Recommendation

Transparency for clubs when dealing with members requests in relation to the Football West/FFA component of fees and various team fees charged.
Provide clubs with cashflow reassurance if a second wave of infection impacts WA.

List the Clubs or Club Associates that have been consulted in reaching the recommendation
