<b>Title: State League Division 3</b>		<b>Confidential</b>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<b>Standing Committee Recommendation</b> That Football West create a State League Division 3 for the commencement of season 2021.			
<b>Decision</b>	Noted <input checked="" type="checkbox"/>	Approved <input type="checkbox"/>	Not Approved <input type="checkbox"/>
<b>Reasons for Decision</b> The impact of COVID-19 on Football West competitions is yet to be determined.  It is recognised that the presence of NPL/State League clubs participating in the Amateur Premier League can block the pathway to promotion of other clubs to the State League.  The creation of a State League Division 3 will need to be supported by a strong demand with subsequent criteria of inclusion and participation to be developed and proposed to Football West.			
<b>Further Action Required?</b>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No		
<i>If yes, provide details</i>	A working group consisting of Football West staff, State League and Amateur League representatives is to be formed to assess the demand for the introduction of State League Division 3, the criteria for participation and criteria for selection to this division from the amateur leagues.
