COVID-19 RESPONSE MANAGEMENT PLAN

[This document provides a template for coaches to manage the impact of COVID-19. The Plan has been developed to be flexible and adapted to individual and general circumstances related to COVID-19. The response to relevant items should be practical, simple and can be easily and readily implemented by your Association / Club. It is important to engage with the local authorities to ensure relevant standards and information are taken into account.]

1. COVID-19 Practices and Protocols

		Status
a) Individual	Are you registered as a coach on Play Football?	
	Is your coach accreditation valid?	
	Are your contact details accurate on the Play Football system?	
	Have you downloaded the CovidSafe App? https://www.health.gov.au/resources/apps-and-tools/covidsafe-app	
b) Training	Have you been given permission by the club to commence training in a group situation of no more than 20 people?	
	Have you communicated with players and parents the importance of downloading the CovidSafe App? https://www.health.gov.au/resources/apps-and-tools/covidsafe-app	
	Obtain cleaning equipment to thoroughly clean equipment before and after training sessions.	
	Arrive at training early to set up training sessions individually and pack down the session individually to ensure minimal touching of training equipment.	

		Status
	Obtain information from club regarding the protocol if a player feels unwell.	
	Communicate to players the training program prior to the session to remove any extended briefing and to maximise training time.	
	Obtain a bottle of hand sanitiser to use in case someone forgets their personal hand sanitiser.	
	Liaise with other coaches and club officials on a training schedule to maximise facilities.	
	Marking out training borders to adhere to Government Regulations (ie: 20 people per half of pitch).	
	Communicate with parents to drop off their child and leave or remain in the car to reduce attendance at the facility.	
	Communicate to players and parents that change rooms and club facilities will not be open, players must arrive ready to train.	
	Communicate to players and parents that restrooms will only be open in accordance with local government regulations and will be cleaned regularly	
	Comply with social distancing with fellow coaches, players and volunteers. https://www.health.gov.au/news/health-alerts/novel-coronavirus-2019-ncov-health-alert/how-to-protect-yourself-and-others-from-coronavirus-covid-19	
	Ensure that you wash your hands pre/post training. https://www.health.gov.au/news/health-alerts/novel-coronavirus-2019-ncov-health-alert/how-to-protect-yourself-and-others-from-coronavirus-covid-19/good-hygiene-for-coronavirus-covid-19	
	Bring own labelled water bottle already filled with water.	
	Keep an accurate attendance training register to document participant attendance.	
	Bring own personal hand sanitiser to training.	
	If feeling unwell, stay at home and do not participate in football activity.	
	Ensure all equipment is cleaned and washed post training. https://ww2.health.wa.gov.au/~/_media/Files/Corporate/general%20documents/Infectious%20Diseases/PDF/Coronavirus/COVID19-Environmental-Cleaning-for-workplaces.pdf	
	If you start to feel unwell during training, notify team manager or other supervisor immediately.	
	Do not engage in any form of handshakes or other physical contact with players, coaches or volunteers.	

		Status
	<p>Have you received communications from your club /technical director regarding the importance of social distancing and good hygiene?</p> <ul style="list-style-type: none"> - Good Hygiene is in your hands - Hand washing guidance - Keep that cough under cover - No sharing of drink bottles and towels <p>No sharing of balls or equipment without an appropriate cleaning protocol in between training sessions.</p>	
	<p>Have you received communications from your club/technical director on the key principles of how players will undertake activities during this time? 'Get in, train and get out'</p> <p>For example (note this will be subject to change depending upon restrictions within your jurisdiction or model):</p> <ul style="list-style-type: none"> - Current position on social distancing and hygiene management - Current advice relating to the health requirements for participation - Outline activity / training plan where possible prior to arrival - Arrive dressed and ready to train - Only essential people are to attend activities - Only attend approximately 15 minutes prior to the start of the activity and leave immediately after - No social activity outside of these times - Where possible, warm-ups and pre-activity preparation such as strapping should be completed at home prior to arriving for any football activities - Any tasks that can be done at home, should be done at home - At venues where possible, parents are encouraged to stay in their car - Food should be eaten off site - Minimise use of change rooms, toilets, and communal areas. Where required, there should be a restriction on the number of people using the facility (e.g. toilet) at any one time - Each player must have their own drink bottle, bottles not to be shared. - Shared equipment, except for footballs, is not permitted (e.g. bring your own bib).
