2. Football West or any Tribunal may impose a Suspension in terms of either:
   a) A number of Matches (Match Suspension), or
   b) A period of time (Time Suspension).

3. A person who may otherwise be bound by the Football West Code of Conduct and the Regulations does not need to be a registered participant to serve a Time Suspension (for example a spectator).
4. A Club Associate must be a registered participant to serve a Match Suspension.

5. Where a Club or Club Associate is charged or found guilty of multiple Offences, Football West may impose entirely cumulative or partly or wholly concurrent Suspensions. However, the overall Suspension must not be less than the minimum suspension applicable to the most serious Offence but may be greater than the maximum Suspension applicable to that Offence.

6. Where Football West imposes a Penalty on a Club Associate charged with multiple Offences and more than one of the Offences carries a Penalty which includes an Automatic Match Suspension, the second and each subsequent Automatic Match Suspension is converted into an Additional Suspension.

7. Where a Penalty imposes a Suspension on a Club Associate, the Suspension must not be structured in any way that would allow the Club Associate to serve the Suspension in a fragmented way which would allow the Club Associate to participate in a Match or Matches before resuming the Suspension.

**SUSPENDED SANCTIONS**

8. Where a Penalty is less than 6 Matches or 6 months, Football West or a Tribunal may order that part of the Suspension:
   a) Comes into immediate effect, and
   b) The remainder of the Suspension does not come into effect unless and until an additional Offence (excluding a Yellow Card, Indirect Red Card or Offences 1a, 7, 8 or 19) is committed during a 6-month probation period (Suspended Sanction).

9. If Football West or a Tribunal imposes a Suspended Sanction:
   a) No less than half of the Suspension must be served immediately.
   b) If committed, all Offences listed in the Table of Offences (excluding an Indirect Red Card or Offences 1a, 7, 8 or 19) will activate the suspended part of the Suspension.
   c) No part of the Suspension may be suspended in a way that would result in the Club Associate serving less than the minimum Penalty prescribed under the Table of Offences, except at the discretion of the Tribunal.

10. If a Participant commits an Offence (excluding a Yellow Card, Indirect Red Card or Offences 1a, 7, 8 or 19) during a probation period that triggers the Suspended Sanction (Further Offence) the Suspended Sanction must be served in addition to any Penalty that is imposed for the Further Offence.

**CALCULATING A SUSPENSION**

11. A Match Suspension is a fixed number of Matches in which a Club Associate may not participate.

12. Only those Matches in the same age-grade and Competition in which he or she received the Suspension will count towards the Match Suspension, in accordance with the rules set out in the Community Competition Rules or NPL Competition Rules.
13. A Time Suspension is a fixed period of time in which a Club Associate may not participate in Football.

14. Upon issuing a Time Suspension, Football West or a Tribunal must provide a start and end date for the Time Suspension.

15. Where a Time Suspension is imposed and some or all of the Suspension coincides with any non-playing period(s), then such non-playing period(s) will not be counted towards the satisfaction of that Suspension, unless the Time Suspension is for a period of 24 months or more.

**CLUB RESPONSIBILITY ON SUSPENSIONS AND TEAM SHEETS**

16. Clubs and Club Officials are responsible for ensuring their Club Associates correctly and fully serve any Suspension.

**SERVING A SUSPENSION**

17. A Club Associate issued with a Match Suspension as a result of the accumulation of Yellow Cards must serve the Match Suspension in the same age-grade and Competition for which he or she received the majority of Yellow Cards. If there is no majority, the Suspension must be served in the same age-grade and Competition in which the last Yellow Card was received.

18. A Club Associate issued with a Match Suspension must serve the Match Suspension in the same age-grade and Competition for which he or she received that Suspension and will not be eligible to participate in any Match of any other Competition until the Match Suspension is served in full.

19. A Club Associate issued with a sanction as a result of an investigation will have the Automatic Match Suspension converted to a Match Suspension.

20. If a Match Suspension extends over 1 or more Competition Seasons, that Suspension must be served in the age-grade in which the Club Associate would normally participate in the relevant Season(s).

21. If a Match Suspension extends over 1 or more Competition Seasons and the Club Associate does not return to participate in a Competition in the following Season(s), the Club Associate must serve the Suspension in whichever Competition he or she subsequently participates in, if any. If Football West determines, in its absolute discretion, that a Club Associate joined a Competition for the purpose (in whole or in part) of enabling the Club Associate to serve the Suspension in the other Competition, any Suspension served in that other Competition will not count towards the serving of the Suspension.

22. For the purposes of paragraphs 17-21 above, the same age-grade and Competition means the league competition, the league’s associated cup competition and any relevant post season cup or finals competitions. An example of this would be a player Suspended in the South Division One U15s would not be eligible to participate in any Match until their Suspension is served through any combination of South Division One U15s Matches, Junior Boys Cup or Top 4 Cup games.

23. Any Penalty imposed on a Club Associate by FFA, AFC, FIFA or any other Member Federation will be endorsed and applied by Football West.

SUSPENSIONS TO BE SERVED IMMEDIATELY

25. Any Suspension must be served immediately. Any requests for the deferment of a Suspension will not be considered by Football West.

26. An Automatic Match Suspension must be served immediately regardless of whether a Disciplinary Infringement Notice is issued before the next Match.

29. A Club Associate who receives an Additional Suspension for a Red Card that occurs in a friendly Match must serve the Additional Suspension in the next Matches that form part of the Competition Season in which his or her team participates.

30. Where a Club Associate cannot complete his or her Suspension during the Competition Season, the Club Associate may participate in friendly Matches only in circumstances where the friendly Matches occur prior to the commencement of the following regular Competition Season.

NIGHT SERIES SUSPENSION

31. A Club Associate who receives a Suspension in a Night Series match will serve that suspension across Night Series matches and will be eligible to participate in Regular Season subject to paragraph 32.

32. Football West has discretion to decide that any Suspension received during a Night Series match will also apply to Regular Season matches.
**Effect of Postponed or Abandoned Matches**

33. If a Match is postponed prior to its commencement, the Match will not be counted as a Match served under Suspension for the purpose of calculating the number of Matches remaining on the Suspension.

34. A Match that is abandoned after commencement or forfeited prior to commencement will count as a Match served under Suspension for the purpose of calculating the number of Matches remaining on the Suspension, except in circumstances where the Club or Team to which the Club Associate belongs was responsible for the abandonment or forfeit of the Match.
