

Standing Committee Recommendation

To: Chief Executive Officer
From: State League Standing Committee
Date: 8/9/20

Recommendation (provide a detailed description of the recommendation)

Change in Minimum Requirements for Ground Marshalls in State League games from 2021

Describe the Issue or Idea (give a concise description of the issue focussing particularly on the problems that are being experienced)

State League clubs have a few concerns regarding the need for Ground Marshalls at State League Fixtures.

Ground Marshalls are difficult to recruit on a regular basis & rarely used for their intended purpose. Most often becoming ball boys.

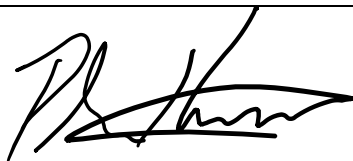

State League clubs seek to recommend that responsible parties from both clubs are made known to Match Officials (1 from each club) instead and they take responsibility for their own club representatives.

Describe the benefits of Football West implementing the Recommendation

Reduce the volunteer requirements and burden on State League clubs.

List the Clubs or Club Associates that have been consulted in reaching the recommendation
