# Chairman's Report

**SHERIF ANDRAWES**  
CHAIRMAN FOOTBALL WEST

## **When we reflect on the 12 months since my first annual report as Football West Chairman, one issue has dominated the landscape, COVID-19.**

The impact of the pandemic was unavoidable and football copped its share along with the whole community. To date, Western Australia might have fared better than most places, but we were not untouched. Even now, the recent lockdown has shown how quickly things can change and the impact it has on the whole community.

When football was suspended across Australia in March 2020, there were fears we might not have a season and there would be a long-term impact on all levels of the game. Registrations were barely out of the gate and we were all put under a new level of pressure.

Football West, like many, was significantly impacted, which led to significant business changes and reforms. But the team did a great job to plot a course through the difficult and uncharted waters as they worked with all levels of

the community including government, partners, clubs, associations and other stakeholders. The support and resilience from our football community was outstanding to ensure that games were played in 2020 across Western Australia.

On the back of tough decisions, changes and reforms, we worked hard to provide support to our community in ensuring that the game is a great experience and accessible to all.

The initiatives included Club Assistance Packages totalling over half-a-million dollars to ensure our game and our 250-plus clubs across Western Australia remained viable. Later in the year Football West implemented other initiatives, such as the Building Stronger Clubs Program, Empowering People Scholarship Fund and the Community Grants Directory.

We also began a State wide facilities audit of clubs and associations, enabling us to better plan and advocate for facility investment across Western Australia.

Considering where we were this time last year and what could have happened, it is pleasing we have so much to celebrate.

The fact we completed a season should not be downplayed. There was compromise, especially in regard to some of our senior competitions. But players, coaches, officials and supporters all worked so well together for the benefit of the game and there is plenty we can take forward from the experience.

An undoubted success story was the maiden NPLWA Women's competition. The introduction of the new top league will continue to lift the standard of the female game. Its popularity was supported with the high number of live stream figures of Women's NPL matches.

The expanded Finals Series/Top Four Cup was also a winner. We had a terrific three nights at Dorrien Gardens in October, as fans flocked to the home of Perth SC for the Men's State League and Men's and Women's NPL cup finals.

Football West launched two new platforms in 2020. Kick It. Football offers a series of small-sided opportunities, while Switch on Sport is where Football West's e-series competitions are run.

Away from our competitions, there were two major football announcements in June which affected WA.

The first was Premier Mark McGowan confirming that the WA State Government was matching the Federal Government and committing the \$16.25m balance towards the building of the State Football Centre at Queens Park in Cannington. The news that football in WA will have its own home has been long-awaited and, as I said at the time, a game changer.

It means we will at last have a 'Home of Football': where we can provide a location for high-performance training, community programs and house Football West's administration facilities.

The State Government-led project is set to be completed in time for the 2023 Women's World Cup, which leads us into the second announcement. That came at the FIFA headquarters in Zurich, when FIFA President Gianni Infantino declared on Zoom that Australia and New Zealand would host the event.

Australia superstar Sam Kerr fronted the media at Perth's HBF Park, backed by five local players with Junior Matildas and Young Matildas experience. This collection of female

football talent in Western Australia was hopefully also a glimpse into the future, with a World Cup in WA inspiring the next generation of stars.

I mentioned earlier how Football West had worked with a number of parties including our partners, and their support was invaluable through the uncertain months. Many of our planned activations and tours were unable to proceed, so it was great to see widespread initiative to make things happen. The Gold Fields WA State Dream Teams, the Hyundai Design-a-Car competition and the NAIDOC Ball Design competition with the Insurance Commission were just some examples of what we achieved.

Gold Fields, Hyundai and the Insurance Commission are three of our valued partners. The Department of Local Government, Sport and Cultural Industries has been a great supporter of Football West for a number of years and were behind the Regional Football Festival in the Great Southern, along with the City of Albany. Healthway has also been a long-term partner. We are extremely proud of these relationships and the same applies to Besteam Sport, All Flags Signs and Banners, Imagine Cruising and Crystallise.

Football West is also linked with leading community mental health organisation Richmond Wellbeing through its Bouncing Back program, which will help clubs identify and provide support to any members who may be doing it tough.

I would like to acknowledge the work of our Zone Representatives and Standing Committee members, plus associations, tribunal members, clubs, presidents, coaches, players, match officials, volunteers and parents.

I also want to pay tribute to the efforts of CEO James Curtis and his Football West team, and the Board - Deputy Chairman William Golsby and Directors Jason Petkovic, Amy Johnson, Elizabeth Tylich, Andrea Hoskins and Richard Marshall.

Looking forward, there are still many challenges in front of us. But because of the strength and resilience of the WA football community, I am confident 2021 will see our sport continue to take great strides forward.

Yours sincerely,

**SHERIF ANDRAWES**  
CHAIRMAN

## **EMPOWERING CLUBS... IMPROVED FACILITIES... BLUEPRINT FOR GROWTH... VALUES-LED CULTURE... CAPACITY TO DELIVER**

### **State Football Centre**

**“The World Game has been without a ‘home’ for too long here in Western Australia. The facility will cater for all levels of football, from grassroots community programs to high-performance games and be the best place for elite training.”**

On 14 June, 2020, Premier Mark McGowan announced a \$16.25million commitment to build a Home of Football in WA. This matched a previous pledge from the Federal Government and ensured the necessary funds for the State Football Centre were available.

This indeed will be a game changer for football in Western Australia.

The State Football Centre, which will be located in Queens Park in Cannington, is scheduled to be completed by 2023, when Australia and New Zealand host the next Women’s World Cup and will be a great source of pride for our sport. But more than that, it will be a living, breathing home, one of the finest facilities of its kind in Australia, and will include elite and community training programs, female football programs, exchange programs with overseas teams - especially from Asia - and Indigenous programs.

Not long after the Premier’s announcement he was on hand to join Matildas and Chelsea FC superstar Sam Kerr at HBF Park to give reaction to FIFA’s decision to send the 2023 Women’s World Cup Down Under. Socceroos coach Graham Arnold was in Perth to promote his side’s game against Kuwait, which sadly fell victim to Covid.

### **Assistance packages and other support**

Away from the excitement of the State Football Centre and successful Women’s World Cup bid, there was a lot of strain on clubs and associations in WA as the delay to the season hit registrations and revenues.

To help alleviate the pressure, Football West offered a number of assistance packages to assist clubs, associations, players and match officials throughout 2020 and beyond. More than half-a-million dollars’ worth of financial support was announced to help ease the burden on clubs and players leading into the 2020 season.

*These included:*

- **25% reduction in match fees for clubs**
- **25% reduction in competition team entry fees**
- **50% subsidy for personal injury insurance cost**
- **25% reduction in registration fees for referees**
- **the establishment of a financial hardship fund, which will cover all aspects of the game including courses, programs and club development**

The financial relief was attributed to each club, enabling it to determine how these benefits could be best passed on to assist their players, coaches and volunteers.

Football West also kept our members informed through our Covid Support Page, where we shared all of the latest Football West, FFA and Government news and links on what was happening in regard to a return to football, relevant restrictions and other useful information.

## Building Stronger Clubs

The Building Stronger Clubs Program was launched to future proof the sport by having good practice clubs and associations that provide a better all-round experience for all.

Grants of up to \$1,500 were available to clubs and associations to strengthen in the following areas:

- **Governance**
- **Facilities Management**
- **Stakeholder Engagement (inc. Government, commercial, community)**
- **Volunteer Engagement Plan**
- **Marketing/Communications Plan**
- **Fundraising/Grant/Sponsorship Plan or Support**
- **Upskilling Boards and Committees**
- **Inclusive Practices**

**Over \$100,000 worth of Building Stronger Clubs projects were supported by Football West.**

### **The clubs who signed up for the program were:**

Sorrento, South West Soccer Association, Perth Royals, Baldivis SC, Murdoch University Melville, South Perth Futsal Club, Westnam United, CAFC Perth Lions, Swan Districts Soccer Association, Dianella Spartans, Subiaco AFC (Subiaco City Junior Soccer Club), Broome Soccer Association, South Perth United, Kelmscott Roos, Curtin Football Club, Dianella White Eagles, Maddington White City, Mandurah City, Northcliffe United, Mindarie FC, Forrestfield United, Fremantle Wolves, UWA Nedlands, Balcatta and Bulgarra Glory Junior Soccer Club.

## State Wide Facilities Audit

Football West commenced a State Wide Facilities Audit of all metro and regional football venues.

This entails visits to clubs to record what facilities they have and, more importantly, do not have.

The audit will help Football West evaluate the needs of clubs and associations and present their case for funding and investment to Government.

## Community Grants Directory

As part of our efforts to continue to grow the game and increase support for all parts of the football community in WA, Football West developed a Community Grants Hub.

This highlighted the grants available for eligible associations, clubs, coaches, referees and players, with more than \$3m worth of funding available for eligible activities.

The Grants Hub made it easier for all parts of our game to find and access grant and sponsorship funding.

## Empowering People Scholarship Fund

The Empowering People Scholarship Fund offered up to \$500 for individuals looking to get on coaching courses, referee courses and workshops, as well as training for volunteers working in the administration of clubs and associations.

More than 60 scholarships were provided.

## Facility Guidelines

Football West issued a set of Facility Guidelines in 2020. These provided direction and guidance for clubs to engage in projects and developments with the correct professional services outlined.

Areas covered were: Building Development, Drainage and Irrigation, Field Markings and Equipment, Football Lighting, Grass Field Maintenance, Project Management, Provider Procurement and Management, Scoreboards and Synthetic Fields.

## Referee Registration

Retaining referees and investing in our match officials is vital to the growth of our game and in 2020 Football West slashed the cost of becoming a referee to just \$150.

This included registration on a Level 4 course, a referee starter pack containing flags, red and yellow cards and whistle, full uniform and registration fees so that on completion of the course any new referee is ready to take the field.

Previously the cost to become a senior referee was around \$600.

Existing referees are supported with a 25% reduction in their fees for 2021 through the use of registration credits.

## Hyundai Club Development Program

Football West ran a number of Club Development Program workshops at clubs and other locations leading in to the 2020 season which offered clubs expert advice on subjects such as:

- **Good governance**
- **Applying for grants**
- **Club committee roles**
- **Balancing the books**
- **Sponsorship, volunteers**
- **Social media and marketing**
- **Electronic Match Sheets**

## Richmond Wellbeing

Football clubs in WA with members struggling with mental health issues can now get access to a crucial and potentially life-saving free support program, after Football West partnered with leading community mental health organisation Richmond Wellbeing.

The Bouncing Back program will help clubs identify and provide support to any members who may be doing it tough.

With suicide the biggest killer in the 18 to 40 demographic for men, the need for this tie-up to so many in the WA football community is clear.

## United Reds Football League

The inclusive United Reds Football League is run by Football West in partnership with Inclusion Solutions, Telethon 7 Perth and the Manchester United Foundation.

The league is run for players of all abilities aged 9-12 who want to play in a fun environment. The clubs who made up the URFL in its first season were Victoria Park SC, Baldivis Districts FC, Maccabi SC, Western Knights SC and Dianella SC. In 2021 these clubs will be joined by Noranda City FC, Whitford City FC and Yanchep United FC.

# Partnerships

## Strong Partnerships

Football West's partnership program has grown from strength to strength in 2020. Throughout this difficult time, we welcomed our partner's flexibility on programs, events and partnership activations, which provided the team with exciting and challenging opportunities.

**Gold Fields**

## Official Regional Partner

The Goldfields regional partnership continues to see growth, giving the opportunity to all participants across the region to fall in love with the beautiful game.

Thanks to Gold Fields' support, about two-thirds of the participating numbers in the sport were retained in the regional areas in 2020 despite the obvious challenges and at a time when other major sports like Australian Rules and Rugby Union were forced to shut down their seasons.

Gold Fields is a supporting partner for Country Camp and Country Week. In 2020, there were over 950 players from the respective junior associations involved in more than 250 matches at Country Week.

## WA State Team Partner

Football West proudly showcases Western Australia through our representative teams: Men, Women, Amateur Men, WA Paras, Boys, Girls, Futsal and Regional, with over 200 players proudly wearing the Gold Fields logo in representative matches across the state this year.

In recent surveys at the Youth Challenge Tournament, 97% recognised Gold Fields as the WA State Team sponsor.

Nearly all National Championships were cancelled in 2020. However, at the start of the year, nine Gold Fields State

sides entered the 2020 FFA National Futsal Championships in Canberra - Boys U12 (two teams), U13, U14, U15 and U16; Men's U19 and Girls U13 and U15. And the Men's U19 team was the stand-out, reaching the final and collecting a silver medal.

In 2020 Football West and Gold Fields invited the public to vote for their Gold Fields State Dream Teams, the players and coaches who have represented WA Men's, Women's, Boys and Girls over the past 118 years. The competition attracted over 3,000 likes on Instagram and over 700 likes on Facebook.

Gold Fields kindly gifted four Samsung Galaxy Tablets for the Golden Ball competition.

**Hyundai**

After Covid scuppered last year's Hyundai WA Community Raffle, Football West and Hyundai are looking forward to an even bigger and better community raffle in 2021, with clubs once more retaining 100% of funds from ticket sales.

Hyundai is the name sponsor of Football West's elite talent programs, which were all very well supported.

The Hyundai TSP had 200 boys and girls in the program in 2020, with programs delivered in metropolitan Perth plus Albany, Midwest, Kalgoorlie and Leeuwin.

The Hyundai National Training Centre for Girls season was celebrated at the Osborne Park Hyundai showcase venue.

Football West and Hyundai successfully delivered the Design the Hyundai Football Car of the Future competition. The competition went out to 500 schools with a prize pool of \$2500. The two competition winners were young schoolgirls Tha Len Sui and Storm Briffa, who with 10 school friends both enjoyed an hour's coaching session with Football West Head of Youth Football and former Perth Glory captain Gareth Naven.

### Healthway

The Smarter than Smoking branding was proudly displayed at the Country Week event, engaging over 800 junior players with the support of the promotional marquee and merchandise giveaways.

The Healthy Club Pledge campaign was launched, kickstarting clubs to move towards healthy behaviours. Perth Glory Women's player Leticia McKenna was the ambassador for the Kicking Off Healthy Clubs initiative and she fronted several health awareness and skills tutorial videos. Our inclusive programs continued to make the game accessible and a great experience for all.

### Insurance Commission of Western Australia

#### Insurance Commission

For the third successive year 2,000 footballs branded with the Belt Up road safety message were distributed to 160 clubs and associations across regional and metropolitan WA.

The Belt Up message featured on branded equipment used in development programs across the state, including Football West's inclusive programs focusing on all-abilities and multicultural development.

The first NAIDOC Ball Design competition was launched, with 500 custom-made balls distributed to clubs, communities and programs in Metropolitan and Regional WA, including over 20 communities in the Kimberley and Goldfields. Kimberley artist Hozaus Claire produced the winning design.

The annual Belt Up Round attracted over 40,000 views on Belt Up branded live stream matches, raising awareness of the Belt Up message across all female and male competitions throughout regional and metropolitan WA.

Football West's Belt Up Men's Amateur, Metropolitan and Masters Leagues had more than 7,000 registered players, wrapping up the season with more than 40 awards.

### Department of Local Government, Sport and Cultural Industries and Lotterywest

The State Government, through the DLGSC and Lotterywest DLGSC is a major supporter of Football West in WA. Sport and recreation builds stronger, healthier, happier and safer communities. In 2020 these included:

- The Industry Investment Program, which includes membership and participation growth, governance and club development
- The Regional Servicing Grant, which among other things supports capacity and capability to deliver sporting opportunities in regional areas
- The Great Southern Regional Festival of Football (Servicing Grant). This provides the region with access to the highest level of football within the State, promotes the benefits of sport and physical activity and promotes regional talent pathways

# Delivering

## BLUEPRINT FOR GROWTH ... CAPACITY TO DELIVER ... STRONG PARTNERSHIPS

Throughout 2020, Football West worked hard to maintain engagement with our members.

Be it in the metro area or the regions, our team launched new platforms and delivered skill sessions, coaching plans, podcasts and other videos as we faced the challenges of lockdown.

### Kick It. Football

In May last year, Football West launched Kick It. Football, a small-sided, alternative format for people to play football.

The programs offered under the Kick It. Football banner are:

- **Kick It. Skills**
- **Kick It. Fives**
- **Kick It. Sevens**
- **Kick It. World Cup**
- **Kick It. Walking**
- **Kick It. Beach**
- **Kick It. Street**
- **Kick It. Corporate**

The highlights of the year included:

Kick It. Skills is an after-school session for primary schoolchildren. Last year we had 700 children register and held over 200 sessions at 25 schools.

Kick It. World Cup was an 11-a-side competition which took place over seven weekends at Inglewood United's Perth Plasterboard Centre Stadium. Twenty sides entered the tournament, with Afghanistan beating Italy in the final.

Kick It. Corporate saw seven companies join Football West in entering teams at Perth's Langley Park. The HMO Property Co defeated Serco in the final.

### Switch on Sport

Football West E Series joined the \$100 billion e-sport phenomenon when it launched the Switch on Sport gaming website.

In 2020 Football West hosted 14 FIFA competitions on both Xbox and PlayStation, attracting more than 200 competitors and giving out \$2,000 worth of prizes.

### Regional Festival of Football

The Great Southern Festival of Football was originally scheduled for the end of April but was pushed back to August.

During the week, Football West hosted referee courses, school clinics and coaching courses in the region.

There were four Perth-based teams who made the trip to Albany to play NPL WA matches – men's sides Perth Glory and Sorrento, and Perth SC and Hyundai NTC in the women's competition.

All four sides took part in an open training session on the eve of the game, while match day attracted over 1,000 spectators.

The week was supported by the Department of Local Government, Sport and Cultural Industries and the City of Albany.

Football in the Great Southern has seen an 18% growth on 2019, with female participation up 60%.

## Gold Fields Challenge

With the National Youth Championships in Coffs Harbour cancelled due to Covid, both the Gold Fields Boys and Girls took part in a Gold Fields Youth Challenge Tournament at Hartfield Park, Forrestfield, along with Perth Glory and ECU Joondalup NPL boys sides.

## Country Week, Country Camp

The 2020 Country Week attracted over 60 teams and almost 700 players from around to state for the week-long festival at Yokine Reserve.

Gold Fields Unit Manager: Stakeholder Relations Eddie Sheppard, Football West Chairman Sherif Andrawes and Football West CEO James Curtis presented the medals.

Country Week is a key pillar of Football West's Regional Talent Development framework for players from U11s to U15s. Players identified went straight into Country Camp, an intense training environment under the guidance of accredited Football West coaches as well as selected regional coaches who are mentored during this time. The Country Camp teams played matches against Hyundai TSP Metro sides at Gibbney Reserve.

## In the Regions

Football West spent an incredible five days in the Kimberley in December delivering clinics in communities such as Ngalangangpum School in Warmun and Fitzroy Valley District High School in Fitzroy Crossing.

There was also facility planning with Kununurra Soccer Association, meeting local government and talking to the hard-working volunteer community about the future of football in the North West.

Kimberley has seen remarkable growth in its Aboriginal Health Program in 2020, with over 13,000 participants in programs delivered in major towns and remote communities. These programs are delivered in conjunction with health services to promote community health and wellbeing messages.

Despite Covid 19, the junior programs in our West (Broome) and East (Kununurra) hubs have remained high and are continuing to grow.

Football West purchased full-size and youth goals and portable goals to Wyndham, Warmun, Hall Creek, Fitzroy Crossing, Derby and Broome.

In the South West football West ran more 10 workshops and FFA courses during the 2020 season with more than 100 coaches attending.

Over 100 players attended the Football West Training Centre in Margaret River and Busselton during the 2020 season.

In the Pilbara, Football West launched the Kick It, Sevens program and held a free clinic for 60 children.

In the Great Southern, the Denmark Training Centre had more than 40 players, while we started and maintained a female playing and coaching network in Katanning. Football West delivered coaching workshops and training to 25 women and girls in Katanning.

Football West also held clinics in the Midwest and Goldfields with the respective Hyundai Midwest Talent Support Program groups.

The Midwest TSP was a pilot program in 2020 with 16 male players and 14 female players participate

The Midwest Walking Soccer Mixed Social Competition was an eight-week tournament. There was also a school seven-a-side joint program with the GJSA that is run every year.

Geraldton Sporting Aboriginal Corporation teamed with Football West to provide a free weekend five-a-side junior competition for boys and girls.

Further up the coast, Football West and the Carnarvon Junior Soccer Association will work towards implementing the playing experience for all participants in playing format, introduction of Hyundai Skills Acquisition Phase (SAP) and Board Governance.

In Kalgoorlie, there was a double-header between the Geraldton Junior Soccer Association's men's and women's teams taking on the Gold Fields Men's State Amateur Team and Northern Redbacks respectively.

Football West would also like to acknowledge the Regional Participation Officers who ran virtual training sessions on the Football West Facebook page during lockdown measures.

# Competitions

## EMPOWERING CLUBS ... BLUEPRINT FOR GROWTH ...

Last year saw the first National Premier Leagues WA – Women’s competition, with eight teams taking part – Balcatta, Curtin University, Fremantle City, Murdoch University Melville, Northern Redbacks, Perth Soccer Club, Subiaco plus the Football West Hyundai NTC side.

The campaign was a major success and live stream figures often outstripped those of the Men’s NPL.

The maiden champions were MUM FC and they also supplied the Gold Medal winner and Golden Boot winner in Katarina Jukic.

The NPLWA – Men’s league was played across 11 matches, before the competition was split in half for the final five weeks.

When the dust settled, we had a new name on the trophy. ECU Joondalup clinched the title on the final day thanks to their win over Sorrento and Floreat’s home loss to Cockburn City.

There was some consolation for Floreat skipper Dean Evans, who shared the Gold Medal with Perth Glory’s Giordano Colli. Danny Hodgson of ECU took out the Golden Boot.

In the pre-season Night Series, which was played before the Covid-enforced break, finals night took place at Perth Plasterboard Centre Stadium. Fremantle City won the women’s decider while Perth SC triumphed in the men’s.

Both of the Men’s State League Divisions followed the format of the men’s NPL, with a split after 11 rounds. Olympic Kingsway won the Division One title, while Carramar Shamrock Rovers took the Division Two crown. Western Knights won the Men’s State League Night Series.

The Women’s State League title went to South West Phoenix.

In the Belt Up Amateur Premier Division, North Perth United were champions for the second time in three years, while Fremantle City lifted the Women’s Amateur Division trophy.

Football West held its first Finals Series at the end of the league season.

It was along the lines of the traditional Top Four Cup and culminated in a bumper finals weekend at Dorrien Gardens, which proved a real winner with supporters.

In the Men’s NPL final, Floreat gained revenge for their Night Series defeat with victory over Perth SC. Northern Redbacks prevented Fremantle City from doing a cup double by taking out the Women’s NPL final on penalties.

Olympic Kingsway won the Division One final, Carramar the Division Two as both sides completed league and cup doubles.

In all there were nine finals across three days and nights. The other winners were Bayswater City (Men’s NPL 20s and 18s); Fremantle City (Women’s 23s); Subiaco (Men’s Div One Reserves and 18s); Kingsley Westside (Men’s Div Two Reserves); Wanneroo City (Men’s Div Two Reserves).

# Referees

## BLUEPRINT FOR GROWTH ... CAPACITY TO DELIVER ...

Referees were appointed to more than 9100 games in 2020.

We had 510 referees last year including 35 female referees and 229 youth referees.

We had the first all female ref and assistants for an NPL game when Fremantle City and Balcatta met in the Women's NPL.

## Post-Season Referees Survey

COVID-19 has challenged us to find new ways to engage the refereeing group and deliver our competitions, so in addition to identifying opportunities for improvement it is very pleasing that the survey also confirmed many significant wins achieved this year. Some highlights include:

Question	Overall Rating
Referees Department – level of knowledge	91.94%
Referee Courses – quality of presenters	90.79%
Level of RESPECT shown by fellow referees	91.55%
Quantity of games	90.79%
Referees Department support	90.79%
Planning to return next season	94.74%

It was also pleasing to see that the reported levels of RESPECT shown by players, team officials and spectators all improved significantly from 2019 following the introduction of temporary dismissals into junior competitions and yellow and red cards to team officials.

## National Competitions

Adam Fielding enters his seventh season as an A-League referee. Josh Mannella (12th season), Arvin Shanmuganathan (fourth season) and Matthew Southern (sixth season) were retained on the panel of assistant referees and Shane Skinner (second season) was retained on the Fourth Official panel.

##### (a) Revenue

The Company recognises revenue as follows:

##### Accounting policy applicable from 1 November 2019

##### *Revenue from contracts with customers*

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

##### *Player registration and team entry fees*

Player registration and team entry fees are collected from individuals and clubs at the commencement of the season to permit the players and the teams a right to take part in competitions managed by the Company.

##### *Participant development programs*

Participation fees are collected from individuals for representative team travel, training programs and education courses. Revenue is deferred until benefit is delivered to the individual. Fees collected are generally recognised as revenue within one year.

##### *Grants*

Government grants are derived from services and programs performed on behalf of the State, Commonwealth and Local governments, whereby the Company has an obligation to deliver such services and programs. Government grant revenue is recognised in profit or loss when the Company satisfies the performance obligations stated within the funding agreements. If conditions are attached to the grant which must be satisfied before the Company is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied. Capital grants are recognised as income when (or as) it satisfies its obligations under the transfer. Capital grants are types of grants where the Company receives a financial asset to acquire or construct a non-financial asset to identified specifications; retains control of the non-financial asset (i.e. for its own use); and the transaction is enforceable.

##### *Sponsorship*

Sponsorships are derived from sponsorship agreements where advertising and or promotion of the sponsor is performed on behalf of the sponsor, whereby the Company has an obligation to deliver such services. Sponsorship revenue is recognised in profit or loss when the Company satisfies the performance obligations stated within the sponsorship agreements. If conditions are attached to the sponsorship which must be satisfied before the Company is eligible to retain the contribution, the sponsorship will be recognised in the statement of financial position as a liability until those conditions are satisfied.

All other liabilities are classified as non-current.

##### (c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

##### (d) Trade and other receivables

Trade and other receivables are recognised at amortised cost less any less any allowance for expected credit losses.

##### (e) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost, less, where applicable, accumulated depreciation and any impairment losses.

###### *Plant and equipment*

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items. An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the Company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

###### *Depreciation*

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

<b>Class of Fixed Asset</b>	<b>Depreciation Rate</b>
Plant and equipment	20% - 40%
Fixtures and fittings	20% - 30%
Buildings	2.5%
Motor vehicles	20%

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

##### (f) Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

##### (g) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

##### (h) Leases

The Company has assessed whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. A lease contract is accounted for by the Company by recognising an asset (the right to use the leased item) and a financial liability to pay rentals. The Company has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets and short-term leases, with the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

##### (i) Employee Benefits

###### *Short-term employee benefits*

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled within 12 months of the reporting date are recognised in current liabilities in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

###### *Other long-term employee benefits*

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are recognised in non-current liabilities, provided there is an unconditional right to defer settlement of the liability. The liability is measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

###### *Defined contribution superannuation expense*

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

### NOTES TO FINANCIAL STATEMENTS

31 October 2020

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

##### (j) Provisions

Provisions are recognised when Company has a present (legal or constructive) obligation as a result of a past event, it is probable the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

##### (k) Fund accounting

On occasions the Company may receive resources restricted for particular purposes or set aside amounts for designated or special purposes. To facilitate observance of these limitations, the financial statements list separately those funds which are restricted or designated for special purposes and those funds which are unrestricted.

##### (l) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

##### (m) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the ATO.

##### (n) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

When an entity applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period must be disclosed.

### NOTES TO FINANCIAL STATEMENTS

31 October 2020

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

##### (o) Critical Accounting Judgments, Estimates and Assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

##### *Coronavirus (COVID-19) pandemic*

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the Company based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the company operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the company unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

##### *Impairment of non-financial assets*

The Company assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the Company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

##### *Determining whether a grant contains enforceable and sufficiently specific obligations*

The interaction between AASB 15 and AASB 1058 requires management to assess whether the government grants received need to be accounted for under AASB 15 or AASB 1058. Key to this assessment is whether the government grants contain:

- A contract with a customer that creates 'enforceable' rights and obligations, and
- The contract includes 'sufficiently specific' performance obligations.

Critical judgement was applied by management in assessing whether a promise is 'sufficiently specific', taking into account all facts and circumstances and any conditions specified in the arrangement (whether explicit or implicit) regarding the promised goods or services, including conditions regarding:

- The nature or type of goods or services
- The cost or value of the goods or services
- The quantity of the goods or services
- The period over which the goods or services must be transferred

##### (p) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Company for the annual reporting period ended 31 October 2020. The Company has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

**2019 Impairment of land and buildings and fixtures and fittings**

In accordance with the Company's accounting policy the Board reviewed for impairment indicators following the change of use of the Company's freehold land and buildings at Unit 93 and Unit 94, 262 Lord Street. On 29 October 2019, an independent valuation was performed on the freehold land and buildings and associated fixtures and fittings. This valuation was conducted by Valuations WA Pty Ltd. The valuation was based on the fair value less costs to sell. This resulted in an impairment charge of \$499,138 to profit or loss for the year ended 31 October 2019. The critical assumptions adopted in determining the valuation included the location of the land and buildings and the current demand for similar properties in Perth.

## Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [https://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). This description forms part of our auditor's report.
