4. A Club Associate must be a registered participant to serve a Match Suspension.
5. Where a Club or Club Associate is charged or found guilty of multiple Offences, Football West may impose entirely cumulative or partly or wholly concurrent Suspensions. However, the overall Suspension must be at least the minimum suspension applicable to the most serious Offence.
6. Where Football West imposes a Penalty on a Club Associate charged with multiple Offences and more than one of the Offences carries a Penalty which includes an Automatic Match Suspension, the second and each subsequent Automatic Match Suspension is converted into an Additional Suspension.
7. Where a Penalty imposes a Suspension on a Club Associate, the Suspension must not be structured in any way that would allow the Club Associate to serve the Suspension in a fragmented way which would allow the Club Associate to participate in a Match or Matches before resuming the Suspension, with the exception of the postponement processes described above at Article 17.25.

## SERIOUS OFFENCES

8. A Serious Offence has the meaning given in Article 3.
9. Where a participant has committed a Serious Offence, the Penalty listed in the Table of Offences is the minimum Penalty to be imposed, and if Football West may, in its sole discretion, increase the period of Suspension on the Disciplinary Infringement Notice provided that the Suspension does not last beyond the end of the next Season.
10. Subject to the process described in paragraph 11-16 below, Football West may issue an Extended Suspension Notice to a Club Associate or other person if:
  - a) if they commits more than one Serious Offence in a Season;
  - b) if they commits more than one Serious Offence in a Match;
  - c) If they their Player Disciplinary History includes a Serious Offence and they commit another Serious Offence, regardless of whether this paragraph was in effect at the time of the previous Serious Offence.

## EXTENDED SUSPENSION NOTICE

11. An Extended Suspension Notice is a notice sent from Football West to a Club or participant notifying that they are subject to a Suspension under paragraph 10.
12. Before issuing an Extended Suspension Notice to a participant:
  - a) Football West must inform the participant or their Club that Football West is considering issuing an Extended Suspension Notice to the participant and give the participant 10 Business Days to show cause as to why they should not be subject to an Extended Suspension Notice; and
  - b) Football West must consider any information provided to it by the participant showing cause as to why they should not be subject to an Extended Suspension Notice.
13. An Extended Suspension Notice may impose a Suspension for whatever time period Football West deems suitable (including Suspension for a participant's lifetime) and under whatever terms Football West deems appropriate.
14. A participant may not appeal an Extended Suspension Notice, but may appeal the Offence which resulted in the Extended Suspension Notice in accordance with the Disciplinary Tribunal Process.
15. If a participant is found not guilty of an Offence which resulted in an Extended Suspension Notice, the Extended Suspension Notice is rescinded.
16. A party issued with an Extended Suspension Notice may apply to Football West annually for review of their Extended Suspension Notice:
  - a) after serving 50% of the Time Suspension under the Extended Suspension Notice; or
  - b) if the Suspension is for life — after serving 8 years of the Suspension.

## SUSPENDED SANCTIONS

17. Where a Penalty is a Suspension of less than 6 Matches or 6 months, Football West or a Tribunal may order that part of the Suspension:

- a) comes into immediate effect, and
  - b) the remainder of the Suspension does not come into effect unless and until an additional Offence (excluding a Yellow Card, Indirect Red Card or Offences 1a, 7, 8 or 19) is committed during a 6-month probation period (**Suspended Sanction**).
18. If Football West or any Tribunal imposes a Suspended Sanction:
- a) half of the Suspension must be served immediately;
  - b) subsequently committing an Offence (excluding an Indirect Red Card or Offences 1a, 7, 8 or 19) will activate the suspended part of the Suspension; and
  - c) no part of the Suspension may be suspended in a way that would result in the Club Associate serving less than the minimum Penalty prescribed under the Table of Offences, except at the discretion of the Tribunal.
19. If a Participant commits an Offence (excluding a Yellow Card, Indirect Red Card or Offences 1a, 7, 8 or 19) during a probation period that triggers the Suspended Sanction (**Further Offence**) the Suspended Sanction must be served in addition to any Penalty that is imposed for the Further Offence.

#### CALCULATING A SUSPENSION

20. Only those Matches in the same age-grade and Competition in which he or she received the Suspension will count towards the Match Suspension, in accordance with the rules set out in the Community Competition Rules or NPL Competition Rules.
21. Where a Time Suspension is imposed for less than 24 months, any non-playing period does count towards the period of Suspension.

#### CLUB RESPONSIBILITY ON SUSPENSIONS AND TEAM SHEETS

22. Clubs and Club Officials must ensure that their Club Associates correctly serve any Suspension in full.

#### SERVING A SUSPENSION

23. Subject to paragraph 24, a Club Associate issued with a Match Suspension as a result of the accumulation of Yellow Cards must serve the Match Suspension in the same age-grade and Competition in respect of which he or she received the majority of the Yellow Cards. If there is no majority, the Suspension must be served in the same age-grade and Competition in which the last Yellow Card was received.
24. A Club Associate issued with a Match Suspension must serve the Match Suspension in the same age-grade and Competition as the Match in which he or she received that Suspension and will not be eligible to participate in any Match of any other Competition until the Match Suspension is served in full.
25. A Club Associate issued with a Penalty as a result of an investigation will have the Automatic Match Suspension converted to a Match Suspension.
26. If a Match Suspension extends over 1 or more Competition Seasons, that Suspension must be served by the Suspended Club Associate in the age-grade in which the Club Associate would normally participate in the next relevant Season(s).

27. If a Match Suspension extends over 1 or more Competition Seasons and the Club Associate does not return to participate in a Competition in the following Season(s), the Club Associate must serve the Suspension in whichever Competition he or she subsequently participates in, if any. If Football West determines, in its absolute discretion, that a Club Associate joined a Competition for the purpose (in whole or in part) of enabling the Club Associate to serve the Suspension in the other Competition, any Suspension served in that other Competition will not count towards the serving of the Suspension.
28. For the purposes of paragraphs 30-34 above, the same age-grade and Competition means the league competition, the league's associated cup competition and any relevant post season cup or finals competitions. An example of this would be a player Suspended in the South Division One U15s would not be eligible to participate in any Match until their Suspension is served through any combination of South Division One U15s Matches, Junior Boys Cup or Top 4 Cup Matches.
29. Any Penalty imposed on a Club Associate by FA, AFC, FIFA or any other Member Federation will be endorsed and applied by Football West.

#### RESTRICTED AREAS

30. A Club Associate serving a Suspension may not enter:
  - a) the field of play;
  - b) the surrounds of the field of play;
  - c) the technical area;
  - d) the Player's race; or
  - e) any other area within the venue of a Match where Club Associates are likely to assemble to prepare for a Match.

#### SUSPENSIONS TO BE SERVED IMMEDIATELY

31. Any Suspension must be served immediately. In serving a Suspension a Club Associate and Football West must take into consideration any Matches or time already served while awaiting the issue of a Disciplinary Infringement Notice or determination from a Tribunal. A Suspension will commence on the date determined by Football West or the Disciplinary Tribunal.
32. Football West and the Disciplinary Tribunal may take into consideration any Matches or time already served while awaiting the issue of a Disciplinary Infringement Notice if the Participant's Club provides sufficient evidence to demonstrate that a suspension has been issued and is being served at club level. Football West is under no obligation to take this suspension into account.
33. A Club Associate must serve an Automatic Match Suspension immediately regardless of whether a Disciplinary Infringement Notice is issued to him or her before the next Match.

#### FRIENDLY MATCHES

34. A Club Associate who receives an Automatic Match Suspension in a friendly Match must serve that suspension in his or her Team's next friendly Match.

35. A Club Associate who receives an Automatic Match Suspension in the final friendly Match before the commencement of the Regular Season must serve the Automatic Match Suspension in the team's next friendly Match whether in the same or subsequent Competition Season.
36. A Club Associate who receives an Additional Suspension for a Red Card shown in a friendly Match must serve the Additional Suspension in the next Matches that form part of the Competition Season in which the team they were participating for participates.
37. Where a Club Associate cannot complete his or her Suspension during the Competition Season, the Club Associate may participate in friendly Matches only in circumstances where the friendly Matches occur prior to the commencement of the following regular Competition Season.

#### NIGHT SERIES SUSPENSION

38. Subject to paragraph 39, a Club Associate who receives a Suspension as a result of Misconduct in a Night Series Match must serve that Suspension across Night Series Matches in that Competition.
39. Football West has discretion to decide that any Suspension as a result of Misconduct in a Night Series Match will also apply to Regular Season Matches.
40. For clarity Serious Offences when committed during the Night Series will also have the Suspension apply to Regular Season matches in accordance with paragraph 39:
41. A Club Associate who receives a Suspension in a Regular Season Match will be ineligible for any Night Series Games that are played during the Suspension unless Football West exercises its discretion to allow participation subject to paragraph 42. A Club must request that the Club Associate is deemed eligible for this discretion to be exercised.
42. Football West may not deem that a Club Associate is eligible to participate in the Night Series under paragraph 41 if the Offence committed by that Club Associate is a Serious Offence or an Offence against a Match Official.
43. If a Club Associate is ineligible to participate in the Night Series through the operation of paragraph 41, Night Series Matches do not count towards their Suspension. For instance a player found guilty of Offence 3a and Suspended for an AMS plus 5 Matches who has served 1 match of their suspension prior to the Night Series will be ineligible to participate in the Night Series and will be required to serve a 5 Match Suspension in the Regular Season following the Night Series.

#### EFFECT OF POSTPONED OR ABANDONED MATCHES

44. If a Match is postponed prior to its commencement, the Match will not count towards a Player's service of a Suspension.
45. Where a Team:
  - a) abandons a Match after commencement; or

- b) forfeits a Match prior to commencement, the Match counts towards the service of a Suspension by a Player on the opposing Team.
46. If a Match is forfeited due to a Club Associate or Player participating in the Match while subject to a Suspension, the Match does not count toward the Club Associate's service of their Suspension. Other participants who do not participate in the Match will count as a Match served under Suspension for the purpose of calculating the number of Matches remaining.
