<p>While understanding the challenges of those participants involved in both junior and senior football, the practical application of the Early Start Clause in the Match Schedule Policy has increased the workload for those clubs requiring earlier Men's Metro kick offs due to pitch availability.</p> <p>The Clause has also seen some games kicking off later than 3pm on Sunday for this competition. Football West approves the change to the Match Schedule Policy to allow Men's Metro League competitions to kick off no earlier than 11am.</p>
