

Scoring a Match (MiniRoos, 8-12 ONLY)

Use this guide to score a MiniRoos match. Please note, due to competition rules, scores will not publicly display for these leagues.

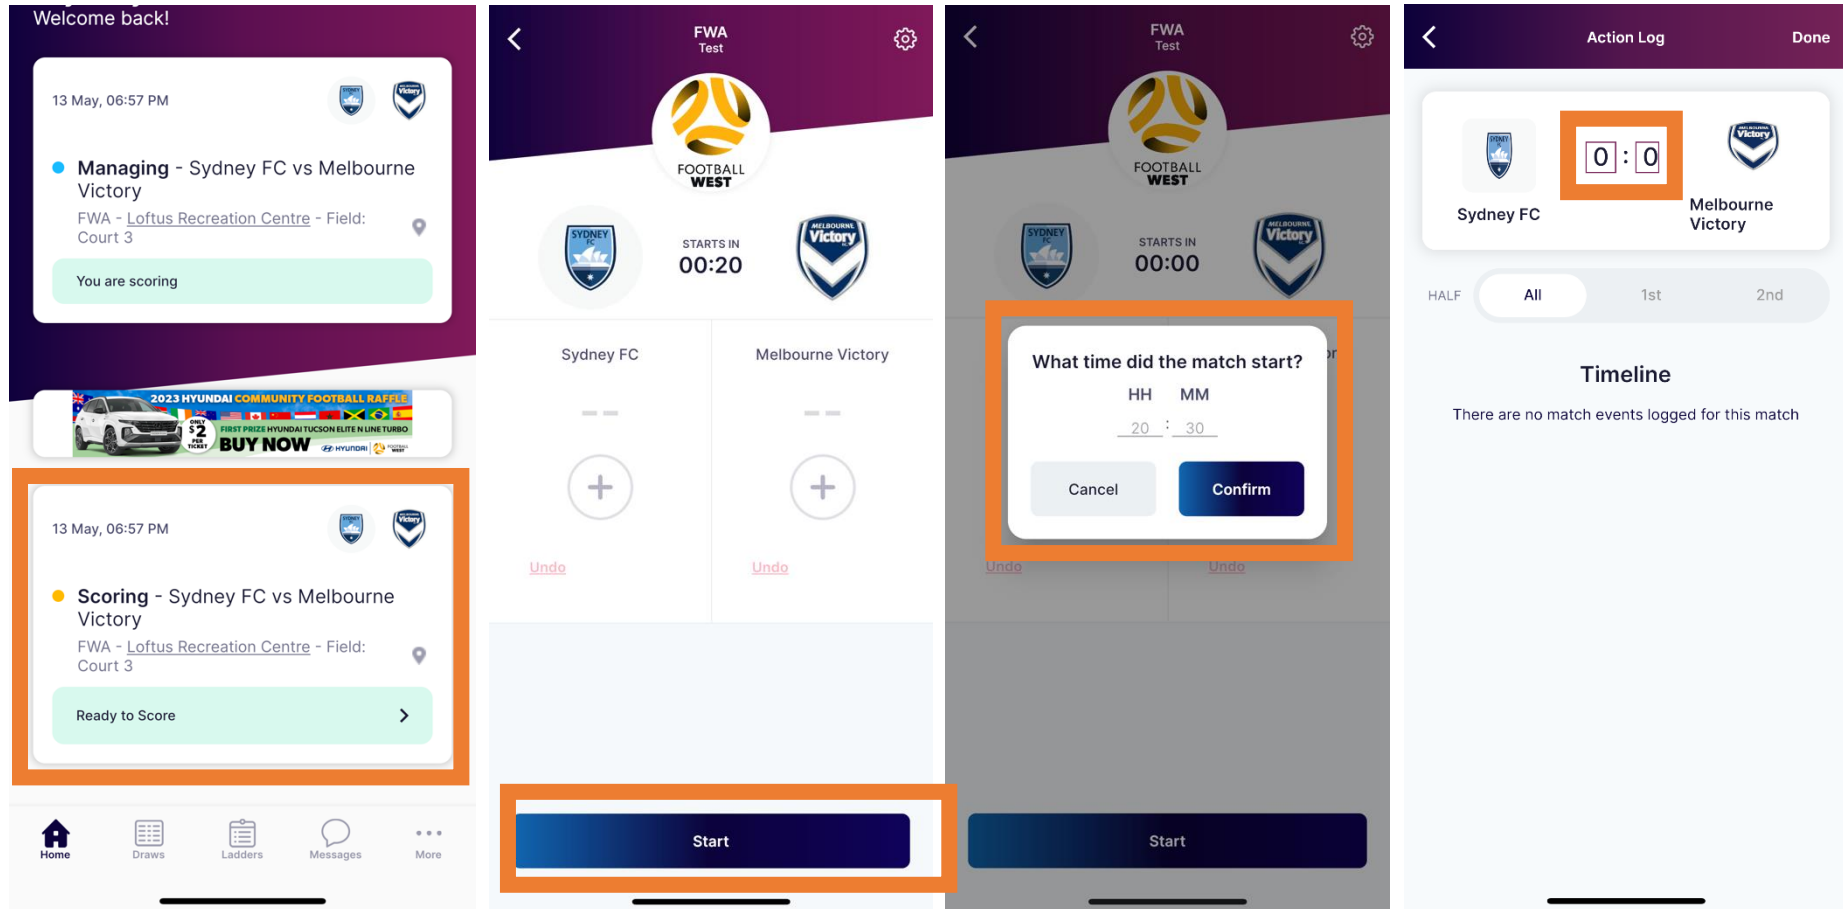

STEP 1 – ASSIGN A SCORER

1. The home team manager must assign a scorer. If you are Team Manager, follow the steps below. If you have been assigned as a scorer, go to **STEP 2 – ENTERING SCORES**.
2. If your team is responsible for scoring you will see a notification on your Match Card. Press on **Scorer not set**.
3. Press on **Assign a Scorer**.
4. Press the toggle to assign yourself as the scorer, or search for someone to score the game. A scorer can be anyone who has registered in the app and is following the competition you're in. If the name you're searching for doesn't appear, this means they either have not registered, or are not following the competition or league you are in.
5. Once complete, press on **Confirm Scorer**. A Scorers Card will appear on your home screen (or the home screen of the assigned scorer).

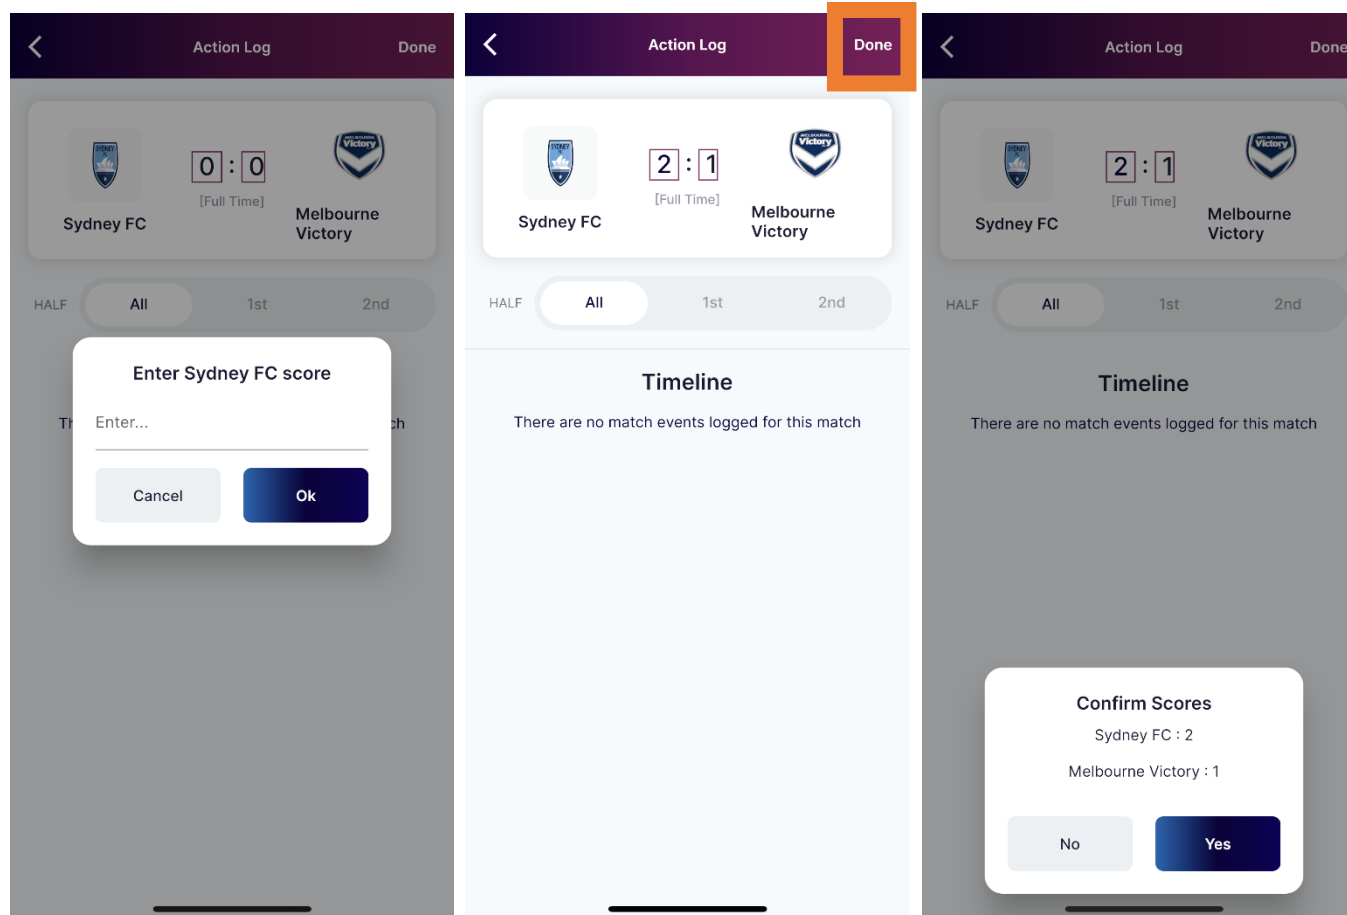

STEP 2 – ENTERING SCORES

1. At any time following the match, when you're ready to enter results, click on the Score Card on your home screen.
2. Press the **START** button.
3. You will be asked to confirm what time the match started. Ensure the kick-off time is correct, then press **Confirm**.
4. Press on the digits to edit the scores.

5. Enter the score for each team via the pop-up box and press **Ok**.
6. Once you've input scores, press **Done** in the top right.
7. You will be asked to Confirm Scores. Press **No** if you need to make changes, otherwise press **Yes** to confirm.

8. You will be taken back to the home screen. Your Score Card will ask you to **Verify Action Log & Scores**. Press on this item.
9. On the following screen press **Verify**. Your scores will be submitted, and the Scoring Card will disappear.
10. Scores are done! 😊
